

Basic Values Clarification

WHAT REALLY IS IMPORTANT TO ME?

Instructions: Ask yourself this question over and over as you scan the following words. Place a dot beside anything that leaps out at you on a 'first pass' then go through again, and again, placing additional dots beside the ones you resonate with until you have refined to no more than 25 things.

Your final pass will be the most challenging... to reduce the 25 to what is really important to you in your life right now summed up in 5-7 values.

Note: This list is clearly not exhaustive so choose language that works best for you if what is really important to you is not listed here. Give yourself at least two times through even if you are pretty clear already.
